Virtually Me!

a cyber-musical

Cyber-bullying and technology abuse have become two of the biggest issues facing students today. *Virtually Me!* tackles these issues head-on in this fun, rockin' new musical!

ZEKE'S BLOG HAS EVERYONE TALKING!

Who's dating whom, what's happening on and off the football field, and is any of it true? Zeke's blog, TMZeke, is all the rage at school, but when the super-popular Lindsay uses the blog to make fun of Chloe, suddenly Zeke is mixed up in a cyber-bullying smear campaign that is hurtful to his friends and his reputation. Is the blog to blame?

CHLOE IS ADDICTED TO TEXTING!

OMG, the world is at Chloe's fingertips...literally! She is in the know 24/7, but maybe Chloe should be studying for the upcoming algebra exam instead of texting her friends about the latest gossip on TMZeke. But hey, why study when your friends can text you the answers anyway? Right?

JASPER + FACEBOOK = A WHOLE NEW JASPER!

According to his Facebook page, Jasper is best friends with the Jonas Brothers, his dance moves are totally awesome, and he has over 5000 friends. Needless to say, Lindsay is mega-impressed and wants to hang out! Can the Virtual Jasper keep Lindsay from finding out who he really is?
