# Calling Doctor Amelia Bedelia & Other Stories

Amelia Bedelia proves that laughter really is the best medicine in this fast-paced revue comprised of musical medleys of popular “little books” for children.

Featuring:

- **CALLING DOCTOR AMELIA BEDELIA** by Herman Parish  
Everyone’s favorite literal-minded maid visits her doctor’s office! Amelia refuses to lend a hand (both of hers are attached), but she gladly helps out. Hilarity ensues as her patients run out of patience!
- **IRA SAYS GOODBYE** by Bernard Waber  
Ira and his best friend are inseparable – but what will happen to their friendship when Reggie moves away?
- **ANANSI AND THE TALKING MELON** by Eric A. Kimmel  
The West African spider, Anansi, is at it again! When the cunning spider crawls inside a melon, he convinces all the other animals that melons can talk!
- **BABY RATTLESNAKE** by Te Ata  
A Native American folk tale about a young snake who throws tantrums until he receives his rattle. But is he ready for the responsibility of having his own rattle?

**PLUS** an all-new sing-along, created just for this production, all about exercise and fitness!
