Introducing the latest and greatest in the grand tradition of crime-solving detectives like Sherlock Holmes, Nero Wolfe and Charlie Chan... Nate! Nate the Great, that is.

This pint-sized young detective has found lost balloons, books, slippers, chickens, and even a lost goldfish. But

when his neighbor Annie asks for help in locating her missing painting, it takes all of Nate's derring-do to solve the toughest case of his career!

Although Nate believes that great detectives work alone, he finds that unraveling mysteries is easier (and a lot more fun!) with a partner. And a big plate of pancakes.

A new musical about teamwork and friendship (imaginary and otherwise) based on the first volume in Marjorie Weinman Sharmat's classic book series, from the creative teams behind Theatreworks USA's *The Mystery of King Tut* and *Junie B. Jones*.
