Rock out with America's original "boy band," The Founding Fathers! Join Washington, Adams, Jefferson and Franklin as they trade in their powdered wigs for power chords to help an ambitious teen. On a quest to win her school election, Dawn cares more about padding her college applications than making her school a better place. With the help of these Fab Four, she discovers that "We the People" have the power to raise a patriotic ruckus and make a difference! Jon Stewart meets the Jonas Brothers in the world premiere of **WE THE PEOPLE: AMERICA ROCKS!**, a hip new musical for the whole family.
